### **SAFE HAVEN REDHILL – ONLINE APPOINTMENTS**

**(6.00pm – 11.00pm 365 days a year)**

Where appropriate you can attend your consultation online via a video call.

Video calling is as convenient as a phone call with the added value of face-to-face communication.

It can save you time and money and brings your care closer to home.

Where do I go to attend my appointment?

Go to: <https://nhs.vc/sabp/safe-haven-Redhill>

*Is it secure?*

Yes. Health Service is notified when you arrive and your clinician will join you when ready. There is no need to create an account. No information you enter is stored.

*What do I need to make a video call?*

A good connection to the internet if you can watch a video online (e.g. You Tube). A private, well-lit area where you will not be disturbed during the consultation.

One of these:

Google Chrome web browser on a desktop or laptop or an Android tablet or smartphone

Safari web browser on an Apple iMac, Macbook, iPad or iPhone

Web-camera, speakers and microphone already built into laptops or mobile devices

Video calls are secure; your privacy is protected.

You will have your own private video room that only authorised clinicians can enter.

### *How much internet data will I use?*

You do not use any data while waiting for a clinician to join you. An Attend Anywhere video call uses a similar amount of data to Skype or FaceTime.

### *How much does a video call cost?*

The video call is free (except for your internet usage).

### Smartphone and tablet users

If you can connect to a home or work Wi-Fi network to avoid using your mobile data allowance.

### **Get ready to make video calls**

Make sure that you use one of the following browsers:

Google Chrome

Windows 7+, Android 5.1+, MacOS 10.11+

Apple Safari

MacOS 10.12+. iOS 11.4+, iPadOS 13+

Go to: <https://nhs.vc/sabp/safe-haven-Redhill>

1. On this web page, click the Start video call button and follow instructions.
2. Wait in your own private video room.
3. Your healthcare provider sees you arrive in the waiting area queue and joins you in your video room when they are ready.

To take part, what do you need to do?

3. Download a free App called Zoom. If you are unsure of how to do so follow their step-by-step instructions.
4. Phone the office or contact one of the team to book a place.
5. Once you are booked on, you will receive a link and a password to click on at the time the group is due to start – it is that easy! *Please do not share this link or password with anyone as it is a closed group.* If you know someone is interested in the group, encourage them to book with the and they will send them details.
6. Make sure you read their Participation Guidelines before you join to keep yourself and others safe online and ensure everyone has the best experience!
7. You can choose if you want to be seen or if you just want to talk.
8. Do not worry if you are not sure how to use Zoom – you have got instructions on their website or you can ring them for help.

Log-in details may be changed for security reasons. Please ensure you re-book your place to get the right details. The Activity Facilitator can also re-book your place and can forward any new log-in details to you.

The Include Choir has now set up **The Include Choir Online**.

Smaller Include Choir groups with a social and communication focus are also running via Zoom.
