SAFE HAVEN REDHILL – ONLINE APPOINTMENTS

(6.00pm – 11.00pm 365 days a year)

People in crisis are able to attend a Safe Haven consultation online via a video call. Video calling is as convenient as a phone call with the added value of face-to-face communication. It can save time and money and remove the

issue of out of hours travel, bringing free expert care closer to home.

For a virtual visit, when you click on the link below you enter the clinic's online waiting area. The Health Service is notified when you arrive and your clinician will join you when ready without needing to create an account.

Click on the link: <http://nhs.uk/sabp/safe-haven-redhill>

- On this web page, click the Start video call button and follow the instructions
- Your healthcare provider sees you arrive in the waiting area queue and joins you in your video room as soon as they are available

If your call is not answered because of an emergency at the Safe Haven you are trying to reach then another Safe Haven will take your call.

It is secure as no information is stored; video calls are secure and your privacy is protected. You have your own private video room that only authorised clinicians can enter.

How much does a video call cost? The video call is free (except for your internet usage.)

How much internet data will you use? You do not use any data while waiting for a clinician to join you. A video call uses a similar amount of data to Skype or FaceTime.

MASH

(Men Alone Self-Help Group)

Every Tuesday at 3.00pm

**The Woodhatch Centre, Whitebeam Road,
Reigate RH2 7LS**

MASH is for men who are on their own following the loss of their partner.

The reason for starting MASH was driven by the lack of bereavement groups specifically for men and recognising that their needs at this time are different from those of women. Generally, men find it more difficult than women to deal with emotional issues and in traditional bereavement groups are outnumbered by women who have different coping strategies and are usually more emotionally literate.

MASH meetings do not follow an agenda and are in the form of a social gathering. Members can say as much or as little as they want about any topic. Meetings enable members to socialise, share their experiences and learn from others. Mutual respect is an essential ingredient.

Typically, 5-8 men attend each meeting. Over the years more than forty men have come to the meetings. They have come from a wide variety of backgrounds. While MASH does not organise other activities, individual members do meet up to help one and another and share their interests and hobbies.

MASH also runs another group at the Medwyn Centre, Reigate Road, Dorking RH4 1SD every Thursday at 3.00pm.
