- Your healthcare provider sees you arrive in the waiting area queue and joins you in your video room as soon as they are available

If your call is not answered because of an emergency at the Safe Haven you are trying to reach then another Safe Haven will take your call.

MASH

(Men Alone Self-Help Group)
Every Tuesday at 3.00pm
The Woodhatch Centre, Whitebeam Road,
Reigate RH2 7LS

MASH is for men who are on their own following the loss of their partner.

The reason for starting MASH was driven by the lack of bereavement groups specifically for men and recognising that their needs at this time are different from those of women. Generally, men find it more difficult than women to deal with emotional issues and in traditional bereavement groups are outnumbered by women who have different coping strategies and are usually more emotionally literate.

MASH meetings do not follow an agenda and are in the form of a social gathering. Members can say as much or as little as they want about any topic. Meetings enable members to socialise, share their experiences and learn from others. Mutual respect is an essential ingredient.

Typically, 5-8 men attend each meeting. Over the years more than forty men have come to the meetings. They have come from a wide variety of backgrounds. While MASH does not organise other activities, individual members do meet up to help one and another and share their interests and hobbies.

MASH also runs another group at the Medwyn Centre, Reigate Road, Dorking RH4 1SD every Thursday at 3.00pm.
